

JOIN US FOR UNITED WAY'S HOODIES FOR THE HOLIDAYS

Will you be an inspiration for a student in need?

We are looking for companies/organizations to host a Hoody Drive between now and October 13th to collect new college sweatshirts for local students. Not only do these hoodies provide warmth and comfort, they also help motivate students to stay in school and dream big for their future.

Help us reach our goal of providing one hoodie for every student participating in United Way's Be A Middle School Mentor initiative.

Yes, we will host a hoody drive and help inspire kids to dream big.
