

Subject: Volunteer to help little people in a big way!

Dear NAME,

Looking for a meaningful way to give back to the community? Please join me in supporting United Way's Games For Good, a fun filled volunteer event that will help local children by reinforcing the benefits of healthy, active lifestyles.

I'm proud to be on the planning committee for the event, which is being presented by First National Bank. As part of the planning committee, I've committed to recruiting XX volunteers to participate alongside me. Will you join us?

I'm asking for your participation in leading children through activities, games and stations that promote fitness and fun. It promises to be a rewarding day that will impact kids in a positive, lasting way. A great time for an even better cause.
