88% of these dollars go directly to community organizations. Your United Way is among the most efficient nonprofits in the U.S., spending just 12% of contributions designated to an agency on administrative fees, far below the nationally recommended standard of 35%.

Community volunteers rigorously review agencies/programs. Selections are based on efficiency, collaboration and measurable results to ensure your dollars are making the greatest impact in our community.

HELPING OVER 480,000 PEOPLE IN NEED IN OUR LOCAL COMMUNITY
