LOCAL IMPACT
Whether you live in Allegheny, Butler, Westmoreland, Fayette or Southern Armstrong county, your donation will be used to improve your local community. Our guiding philosophy: local leaders, meeting local needs by engaging local partners to help more local people. So no matter where you live, your donation to the Impact Fund will be directed to the community in which you live.

COLLABORATIVE, STRATEGIC APPROACH
Your United Way Impact Fund donation will support preventative strategies that help people before problems escalate. We bring together donors, volunteers, corporate and community leaders from across the region to solve problems. We identify the most critical needs in our community and collaborate with the highest performing agency partners who we hold accountable to deliver measurable results.

ACCOUNTABLE, TRANSPARENT PARTNER
Community needs are at the heart of every funding decision we make, and we report our impact and results back to our donors and the greater community. That’s why we’re consistently ranked among the most financially sound nonprofits in the country, and why 60,000 local donors trust their dollars to United Way every year.

JOIN THE FIGHT. PLEASE GIVE.
