Emergency & Disaster Services
Floods. Household fires. Extreme weather conditions. Large-scale disasters. When our neighbors need emergency or disaster services, United Way of Southwestern Pennsylvania and our partner agencies are here to help.

MEASURABLE IMPACT

25,000+
individually affected by disaster received aid through partnerships with the American Red Cross and Salvation Army

SUPPORTING EMERGENCY AND DISASTER SERVICES:
• Provides a family with immediate basic needs (like emergency shelter, meals, clothing, medical needs, emotional support or counseling, emergency funds) in times of crisis
• Connects affected families with resources to help recover from a disaster through PA 2-1-1 Southwest and coordination with local community agencies
• Mobilizes trained volunteers to assist their neighbors in need
• Aids first responders on the scene of a disaster event
• Provides clean up to help restore homes and communities
• Increases awareness of how to prevent home fires through preparedness education programs
• Explores innovative approaches to provide better services to communities affected by a disaster
