945

Local women have avoided homelessness through United for Women in the past year

UNITED FOR WOMEN HELPS BY PROVIDING:

- Assistance to women who become homeless or are at risk of becoming homeless for the first time
- Assistance to female veterans to help them avoid homelessness and secure stable housing
- Short-term assistance to avoid a financial crisis and financial coaching to regain stability
- Transportation assistance to give access to services including medical, employment, housing and more
- Connections to employment, legal services or other resources to help maintain financial stability
- Assisting women with career counseling and educational support
- Emergency home repair maintenance to maintain safety for women and their families
- Emotional support and assistance for women facing domestic violence
