This past year, $32 million went back into our community to impact lives.

- **$7 million for families**
  - United for Families impacts nearly 280,000 financially struggling families dealing with issues such as homelessness and hunger.
- **$5.6 million for children**
  - United for Children helps more than 214,000 kids from early childhood development through high school, helping them succeed academically as well as in life.
- **$800 thousand for volunteering**
  - More than 17,000 people were engaged in initiatives that create opportunity for hands-on volunteerism that directly impact people in need.
- **$1.1 million for seniors**
  - United for Seniors helps older residents live safely and independently as well as supports the vital work of caregivers.
- **$1.5 million for people with disabilities**
  - United for People with Disabilities focuses on creating greater independence through job training, competitive employment opportunities, independent housing and social connections for people with disabilities and their families.
- **$15.1 million designated dollars to 3400+ human services agencies 501(c)(3).**

United Way directly impacts every part of our community.
United for Children

• Provided 56,000+ children with safe, enriching after-school programs
• Provided mentors, coaches and youth leaders with programs and tools to promote caring and healthy relationships for 2,800+ children, so they can grow into successful adults
• Improved attendance and test scores with programs that encouraged 19,000 students to stay in school and succeed

United for Families

• Answered calls for help from 118,000+ people in need through PA-2-1-1 Southwest
• Helped 2,200+ women navigate an unexpected crisis and avoid financial instability
• Assisted 6,000+ veterans with basic needs including transportation, food and employment

United for Seniors

• Helped 42,000+ seniors meet basic needs including food and safe housing
• Provided 16,000 rides for seniors needing transportation to grocery stores and medical appointments
• Developed tools and resources for 13,500 caregivers to help them cope with the stress of balancing work and caregiving responsibilities

United for People with Disabilities

• Helped 14,000+ people with disabilities in their job search (591 gained employment through the career transition project)
• Assisted 153 people living with disabilities to find affordable, accessible housing
• Advocated to reduce employment barriers for people with disabilities resulting in two significant legislative wins
