## Leadership that Brings Women Together to Make a Difference

---

United Way's Women's Leadership Council (WLC) is a powerful network of women committed to making a lasting difference in our community.

Whether you are at the start of your career, a seasoned professional or someone who wants to make a difference, Women's Leadership Council is a great way to get involved.

Your WLC contribution will fund programs that impact the lives of women and families in crisis, children, seniors and people with disabilities. We are 2000+ women united across the region to be changemakers. When we put our collective energy and passion to work, we improve the lives of thousands of local people who are struggling. We are a force of nurture. *You can be one of us!*

## Leadership that Brings Women Opportunity

---

There is no women's organization in our community like United Way's Women's Leadership Council. The philanthropic impact of its membership represents the best our region has to offer. And membership is not only an investment in the health of our community, but also an investment for the members themselves who enjoy many benefits including:

- Attending exclusive events throughout the year
- Participating in on-going hands-on volunteer opportunities
- Connecting and networking with women leaders across the region
- Learning about key issues impacting your community
- Enhancing leadership skills by participating in professional development opportunities and engaging on planning committees

## Take the Next Step

---

- Become a member through your workplace campaign or as an independent donor
- Commit to a minimum of \$1,000 to United Way's Impact Fund, key initiatives or an agency of your choice
- Contribute through your workplace via payroll deduction or make a one-time contribution or quarterly payment via credit card
- Opt-in to the WLC membership program
- Renew annually by maintaining or growing your \$1,000 investment

## Step-Up to Leadership

---

For women who need additional time to plan for a WLC annual gift, you may “step-up” through incremental giving options over the course of five years:

	Year 1	Year 2	Year 3	Year 4	Year 5
<b>5 Year Plan</b>	<b>\$500</b>	<b>\$600</b>	<b>\$700</b>	<b>\$850</b>	<b>\$1,000</b>
