

United Way of Southwestern Pennsylvania Butler and Westmoreland County List of Contributor Choice Agencies

The UWSWPA's list of contributor choice agencies contain a list of nonprofits that can be designated during the United Way campaign. This list includes the Book Code number for each organization. It is made available to all who assist with the campaign.

What are the criteria for an organization to be eligible and included in the list?

For an agency to be eligible for designations, the agency must be in compliance with the USA PATRIOT ACT and all other counterterrorism laws and have a 501 (c)(3).

The UWSWPA donors, within the UWSWPA geographic footprint, are able to designate to health or human service agencies or agencies that provides such programs, provided that they comply with the previous requirements and are in full compliance with all federal, state, county and local requirements and laws pertaining to non-profits; meet the requirements of the Solicitation of Funds for Charitable Purposes Act passed by the Pennsylvania Legislature in 1990. NOTE: Arts, cultural, religious, recreational, political programs, government agencies and institutions providing formal education are not eligible for designations through UWSWPA. United Way contracts with a third-party vendor to validate agencies against the IRS Publication 78, the terrorist watch list and 990 revocation list twice a year.

Designation Minimum - Any gift under \$25 needs to be designated to a United Way initiative and or impact fund except for a payroll gift with a \$1 per pay deduction.

The GuideStar database is used to vet agencies twice a year to determine eligibility for the contributor choice program. If the designated agency is determined to be an ineligible agency because it does not meet all the criteria, the Donor will receive a letter that includes the reason the agency is ineligible. The Donor is given the option to make another designation and is informed that if a response is not received in 20 calendar days or less, the ineligible designation will be reverted to the local checkoff United Way account.

What if a donor selects a non-profit organization that is not included in this list?

United Way of Southwestern PA will contact the agency to verify their eligibility. If it is not eligible, we will follow the same process listed above.

Can I find the code numbers in this booklet on the internet?

Can I use my local United Way's code numbers?
