CHANGEMAKERS UNITE 2021-22 CAMPAIGN

United Way
United Way of Southwestern Pennsylvania
Whether this is the first time you’ve led a workplace campaign or you’re a veteran of past campaigns, I can’t say it enough ... Thank you! I can just imagine how much you are relied on in your organization to “just make it happen.” These responsibilities usually fall to the person considered the most dedicated, enthusiastic and professional. You have the trust and gratitude of United Way too, as well as any resources, advice or best practices you need to plan and run a successful workplace campaign.

Now more than ever before, United Way relies on engaged, community-minded organizations like yours and people within those organizations who care enough for those in need to make their campaign a huge success. Thank you for serving as a United Way Employee Engagement Champion and being a ChangeMaker in the lives of so many.

*ChangeMakers Unite!*

Bobbi Watt Geer
CEO, United Way of Southwestern Pennsylvania
WHY UNITED WAY?

No one organization brings together all the essential players to make real change possible like United Way of Southwestern Pennsylvania. We've built a strong network of community leaders, corporations, donors, philanthropists and human-service agencies, marshalling the resources and experience where they can do the most good.

United Way is focused on driving three key objectives outlined here. By promoting equitable opportunity across race, gender and ability and fostering innovative solutions to age-old problems, United Way creates positive change.

MEETING BASIC NEEDS

On any given day, thousands of our neighbors face unexpected challenges that threaten to unravel their lives. United Way helps people access basic needs such as shelter, safety and food to prevent suffering and preserve human dignity.

MOVING TO FINANCIAL STABILITY

Many hard-working people feel overwhelmed by the challenges of providing for their family. They want to do more than just get by; they’re looking for an opportunity to get ahead and make a better life for their family. United Way tackles issues that confront people of all abilities to find and access meaningful employment, and gain financial footing.

BUILDING FOR SUCCESS IN SCHOOL AND LIFE

With the right resources and personal support, every child has the chance to succeed. United Way works to level the playing field for communities of color and supports quality out-of-school programs to help children form healthy habits and develop critical learning skills.

The Role of an Employee Engagement Champion United Way Employee Engagement Champions (EECs) serve as leaders within their respective organizations who plan, organize and coordinate workplace campaigns. This role was formerly known as an ECM, but we count on you to do more than simply manage the campaign process. You really are a champion for our mission within your workplace. The job of an EEC basically comes down to three key responsibilities:

1. **Spread the word.** People are looking for ways to give back to their community. But they’re not sure how. This handbook — as well as additional resources — provides compelling language and facts that help tell the United Way story.

2. **Make the ask.** Sometimes the only missing component to a successful campaign is clearly asking for the pledge. Remind your colleagues that there are no small donations; every dollar does matter and full participation means your organization collectively will make an enormous impact on people’s lives.

3. **Say thanks.** Expressing gratitude carries so much weight in the world. A simple and sincere “Thank You” is not only appreciated, but also leads the way to other volunteer and donation opportunities in the future.

“Our annual United Way campaign has always unified our organization, and given us a chance to connect on a human, empathetic level. For younger staff, and people new to our company, it’s a great way to engage them and demonstrate our values and commitment to the community.”

— Jackie Ziemianski, Peoples. An Essential Utilities Company
No matter the amount, every donation to United Way works hard for our community. Remember, the dollars you donate to United Way stay right here in Southwestern Pennsylvania. Here’s some examples of the impact various levels of giving can make:

**$10 A WEEK FOR ONE YEAR**
- Provides 130 meals for students and families who might otherwise go hungry

**$25 A WEEK FOR ONE YEAR**
- Provides 26 days in a shelter, plus case management and support services

**$50 A WEEK FOR ONE YEAR**
- Provides electricity for six families struggling to pay their bills due to lost wages and jobs.

**BIG PICTURE**
- Over the past two years, food insecurity has increased by 42% in Southwestern PA. Access to nutritious meals continues to be a concern as families recover from the economic impact of COVID-19 and struggle to meet their basic needs.

**BIG PICTURE**
- Job and wage losses due to Covid-19 continue to have a ripple effect, exposing thousands of new families to the possibility of homelessness.

**BIG PICTURE**
- United Way’s 2-1-1 hotline calls have doubled in the past year. Many calls coming from families who never before had to ask for assistance.
MANY WAYS TO GIVE

We are always looking to make giving to United Way easy for all our donors. That’s why we have expanded giving platforms to include these options:

Online Pledge Portal
The online portal is the easiest and most secure way for your colleagues to contribute to the causes they most care about. Your Corporate Engagement Manager can help you customize a company-specific website which can be accessed through Single Sign-On (SSO) or through a unique, emailable link. Your employees can log on, learn about United Way’s work in the community, research eligible agencies, and complete their pledge. Colleagues may also enroll in one of United Way’s donor affinity groups. The process is completely secure and can accommodate a variety of payment methods, including payroll deduction. An automatic confirmation email will be generated with pledge information for their records.

Continuous Giving
Allows employees to roll over their giving from one year to the next through payroll. With Continuous Giving, scheduled donations continue automatically, and no further action is required unless they choose to opt out. Your Corporate Engagement Manager will provide you with a list of prior year payroll donors to be contacted via email. After the deadline, you simply return the final list of employees who did not opt out to your Corporate Engagement Manager (purging the list of people who have left the company). The employee’s donor designation will continue uninterrupted for the current campaign year.

Text to Give
This is a simple, secure method of giving that more and more employees prefer. This option makes it easy for people who may not have time or access to complete an electronic or paper pledge.

Special Events
Let’s put some Fun in the Fundraising. Many organizations have built engaging programs and activities that have become part of their corporate culture that employees really cherish. Perhaps you can auction off special privileges or prizes (an executive parking space, a VP personal valet for the day). Stage a contest (Iron Chef Chili, Cake Boss Bake-off) to raise money. Another favorite is a raffle for prizes supplied by leadership (wine, rounds of golf, car detailing).

You can download a PDF of more ideas from our online resource guide, and your Corporate Engagement Manager would love to brainstorm ideas with you. We’ve seen it all. And make sure you post pictures on social media.

Paper Pledge Form
You can request or download traditional paper pledge forms from your United Way representative or go to uwswpa.org/running-a-campaign

VIRTUAL TIP
United Way has many volunteer ideas for employees who work remotely to be actively involved in making a difference. To learn more visit: uwswpa.org/be-a-volunteer

Volunteer as a Team
Whether you have a team of 2 or 200, United Way offers many opportunities for your employees to volunteer in our community and get personally involved in making change happen. Ask your United Way representative how your organization can volunteer, including:

• Collecting much needed items (school supplies, personal protection equipment, infant and toddler supplies).
• Hosting an on-site project (to assemble activity or hygiene kits, sort supplies or food packing).
• Days of Caring within the community (get out and engage in activities such as reading books to local children, or spending time with seniors).
• Skill-specific volunteering (many companies have valuable experience they can share with United Way agencies such as financial budget, coding or conducting mock interviews).
FOCUS ON THE IMPACT

Have fun during your campaign, but don’t lose sight of the vital importance of every donation. Some ways to keep your colleagues meaningfully engaged include:

• Invite colleagues to a lunch-and-learn that focuses on your United Way campaign.
• United Way can supply a speaker for your workplace who will answer questions and bring to life the enormous impact your campaign can make for our community. Both in-person and virtual options are available.
• Make use of all the United Way marketing materials provided (posters, videos, flyers, email templates) to create multiple impressions and engagement opportunities.
• Emphasize that even a modest donation, combined with thousands of others, can have an enormous impact.

RUNNING A WORKPLACE CAMPAIGN

Meet with your United Way Corporate Engagement Manager in-person or virtually to help set up goals and objectives for your campaign. We’ll help you be fully prepared to articulate the special needs of our community.

You’ll want to identify and meet with a committee of campaign ambassadors within your organization. Their role is to help build enthusiasm and give you feedback on concerns among employees and opportunities to get universal participation.

Once all the pre-launch work has been done, you’ll want to hold a campaign kick-off. This shared experience gets people excited and makes them feel that they are part of something bigger than just themselves. This is where you’ll be distributing materials and identifying campaign ambassadors. Each ambassador should be responsible for following up with their team to encourage support.

It’s important to keep upper management and senior personnel intimately involved in the campaign. Their buy-in and enthusiasm can energize the entire organization and make your job much easier.

CHAMPION TIP #2

KEEP MOMENTUM ALL YEAR LONG

Your workplace campaign is the cornerstone of our efforts, but it’s important to keep employees engaged throughout the year.

• Encourage colleagues to consider joining United Way’s donor affinity groups. These offer excellent network and professional development opportunities and help create cross-corporation bonds that make our community united.

• Recruit employees to participate in volunteer events throughout the year. These are small 2-3 person volunteer opportunities or large, multi-state efforts.

• Rally support for United Way outside of your annual campaign. Plan a fundraiser in the spring or summer to raise awareness for a cause that speaks to your organization’s culture.

CELEBRATE THE FUN

This shouldn’t feel like a chore — for you or your colleagues. The most effective workplace campaigns integrate a real sense of enjoyment and fun into the process. Some ideas include:

• Get senior leadership involved. Encourage them to show their personal side and put themselves into the fray. Have her take a pie in the face. Be sure he wears the Hawaiian shirt. Be creative.

• Stage an event that will engage younger employees and tap hidden talents. For example, lip-sync battles, goofy sports tournaments or a bake-off.

• Some of the best times happen when everyone gets away from their desk for a few hours and volunteers in our community. Your United Way representative can help connect you with the perfect, worthwhile volunteer opportunities to bring smiles to your workplace.

CONGRATULATIONS AND THANKS

Perhaps the most important part of any workplace campaign are the final two words: Thank You. Expressing your gratitude is the best way to reinforce positive behavior and ensure future engagement.

- Consider demonstrating your appreciation with a special wrap-up event such as a pizza party or ice cream social.
- Encourage your CEO to reach out personally to team leaders and new donors.
- Celebrate your fellow employees who went above and beyond during the campaign with a day off or token of your appreciation.

Most of all we want to thank you, our EEC, for everything you do throughout the year to help engage your organization with the values and mission of United Way. You are truly a ChangeMaker we can all be proud of.
