WOMEN'S LEADERSHIP COUNCIL

Leadership that lifts us all.

United Way's Women's Leadership Council (WLC) is a powerful network of women committed to making a lasting difference in our community. WLC's mission is to inspire, enable and motivate women to become agents of change through philanthropy, leadership, and volunteerism. We bring our collective energy and passion to work that improves the lives of thousands of local people in need.

- 2,000 plus members representing women from all sectors.
- Raised over \$9 million in the last year and over \$69 million since 2001 for the Southwestern Pennsylvania region.

Benefits of membership:

- Attending exclusive events throughout the year.
- Participating in hands-on volunteer activities all year round.
- Connecting and networking with women leaders across the region.
- Learning about key issues impacting your community.
- Enhancing leadership skills by participating in professional development opportunities and engaging on planning committees.

\$500	\$600	\$700	\$850	\$1,000
