GIVE TO UNITED WAY'S IMPACT FUND

By far the most effective and efficient way to make your donation work harder is through United Way's Impact Fund. This gives United Way the ability to create holistic solutions in response to complicated problems. United Way's Impact Fund supercharges your investment and helps provide the most impact possible in three critical areas:

Meeting Basic Needs

Connecting people at times of crisis to essential needs such as emergency shelter, food and help keeping their utilities on.

Moving Toward Financial Stability

Providing resources to overcome short-term instability and practical tools and training to sustain a quality of life for themselves and their family.

Building for Success in School and Life

Helping kids start their educational journey and build foundational skills that will fortify them for school and beyond.

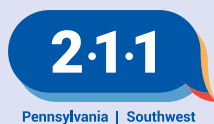

ABOUT OUR DONOR GROUPS

Women's Leadership Council. Donors giving \$1,000 or more can join over 2,000 women in our region who have made a positive impact on the lives of women and families.

Bridges Society. Young to mid-level professionals giving \$1,000 or more, who are invested in making a real change for our most vulnerable neighbors.

Step Up. United Way offers a special giving option to allow new members to commit over a period of five years. Make a commitment now of \$500 and incrementally increase your annual United Way gift, building to a full \$1,000 annual gift. By selecting either Women's Leadership Council or Bridges Society on the front of this form and making a contribution of \$500 or more, we will automatically enroll you in Step Up to access the full benefits of membership today.

Next Generation. United Way's Next Gen Ambassador program recognizes those 35 years and under who demonstrate their commitment with their time and financial support that fits their budget. By giving a minimum of \$10 a month and volunteering once a year, you help others in need get on the path to a better tomorrow.

Did you know help is 3 numbers away? United Way's PA 211 is a lifeline for individuals throughout our region who are in crisis and have nowhere else to turn. Navigators connect individuals with human service resources near them and follow-up to make sure they received the help they needed. Because crisis can happen any time, day or night, PA 211 is accessible 24 hours a day, 365 days a year via phone, text or online chat.
