

## United Way of Southwestern Pennsylvania List of Contributor Choice Agencies

P.O. Box 735  
Pittsburgh, PA 15230-0735  
<https://uwsdpa.org/>

The UWSWPA's list of contributor choice agencies contains a list of nonprofits that can be designated during the United Way campaign. This list is sorted by State, City and Organization Name and includes the Book Code number for each organization. It is made available to all who assist with the campaign.

### **What are the criteria for an organization to be eligible and included in the list?**

For an agency to be eligible for designations, the agency must be in compliance with the USA PATRIOT ACT and all other counterterrorism laws and have a 501 (c)(3).

The UWSWPA donors, within the UWSWPA geographic footprint, are able to designate to health or human service agencies or agencies that provides such programs, provided that they comply with the previous requirements and are in full compliance with all federal, state, county and local requirements and laws pertaining to non-profits; meet the requirements of the Solicitation of Funds for Charitable Purposes Act passed by the Pennsylvania Legislature in 1990. NOTE: Arts, cultural, religious, recreational, political programs, government agencies and institutions providing formal education are not eligible for designations through UWSWPA. United Way contracts with a third-party vendor to validate agencies against the IRS Publication 78, the terrorist watch list and 990 revocation list twice a year.

**Designation Minimum** - Any gift under \$25 needs to be designated to a United Way initiative and or impact fund except for a payroll gift with a \$1 per pay deduction.

The Guidestar database is used to vet agencies twice a year to determine eligibility for the contributor choice program. If the agency is determined ineligible, the Agency and the Donors will be notified with the reason for the agency being considered ineligible.

The New Agency request period is open May - June of every year. Agencies may use the online link <http://bit.ly/ContributorChoice> to complete the application for Contributor Choice and submit to UWSWPA.

If the designated agency is determined to be an ineligible agency because it does not meet all of the criteria, the Donor will receive a letter that includes the reason the agency is ineligible. The Donor is given the option to make another designation and is informed that if a response is not received in 20 calendar days or less, the ineligible designation will be reverted to the local checkoff United Way account.

### **What if a donor selects a non-profit organization that is not included in this list?**

United Way of Southwestern PA has made every attempt to follow-up with all agencies that were eligible in the prior year campaign via email, mail and phone calls. If a donor chooses an agency not listed in the booklet (the agency did not respond or did not meet the above criteria), UWSWPA will send a letter to the donor and ask them to choose an eligible agency.

### **Can I find the code numbers in this booklet on the internet?**

Yes. For agency code numbers, visit UWSWPA's website <https://uwsdpa.org/> and, click on Need Funding at the bottom of the page.

### **Can I use my local United Way's code numbers?**
